

RULES FOR ADMISSION TO UNDERGRADUATE STUDIES

The procedure for admission to educational institutions implementing educational programs of higher education

Persons with general secondary, technical and professional, post-secondary, higher education shall be admitted to OHPE.

To participate in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget and (or) enrollment in paid education, persons with secondary, technical and vocational or post-secondary education are allowed, with the exception of those entering related areas of higher education training, providing for shortened study periods, who have passed the UNT and gained according to its results:

at least 60 points – "Pharmaceutical production technology"

at least 70 points – "Pharmacy"

at least 70 points – "Public health"

at least 70 points – "Medical and preventive care"

at least 70 points - "Nursing"

at least 80 points – "Medicine"

at least 80 points – "Dentistry"

at least 60 points – "Pediatrics"

At the same time, it is necessary to score at least 5 points in the History of Kazakhstan and two specialized subjects of the UNT, and at least 3 points in the subjects of reading literacy and Mathematical literacy.

To participate in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget in related areas of training of higher education personnel, providing for reduced training periods, individuals who have technical and professional, post-secondary education, have passed UNT and scored at least 25 scores based on its results and in the field of education are allowed "Pedagogical sciences" - at least 35 scores, including at least 5 scores for each UNT discipline and (or) creative exam.

When passing the UNT in electronic format in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget, the recipient participates with one of the two UNT results having the required number of scores specified in this paragraph.

Individuals who have international certificates confirming proficiency in a foreign language (English): Test of English as a Foreign Language Institutional Testing Programm (TOEFL ITP, Test of English as a Foreign Language Institutional

Testing Programm. Internet-based Test. (TOEFL IBT), Test of English as a Foreign Language Institutional Testing Programme. TOEFL Paper-based test. TOEFL pbt, International English Language Tests System. (IELTS), if desired, shall be exempted from passing the subject or special discipline of UNT "Foreign Language (English).

Individuals with certificates of international standardized tests SAT, ACT, IB, A Level, TOEFL ITP, TOEFL IBT, TOEFL pbt, IELTS shall participate in the competition for the award of an educational grant and (or) shall be enrolled in universities in a paid department, in accordance with the scores transfer scale, according to Annex 2-1 of the Rules

In accordance with subparagraph 6) of paragraph 2 of Article 43-1 of the Law, OHPE shall determine the procedure for admission, form, program for conducting an additional exam and (or) a passing score for applicants taking into account the specifics of the direction of training, with the exception of applicants specified in paragraphs 8 and 9 of Article 26 of the Law.

Acceptance of the application for participation in the additional exam, its conduct by OHPE shall be carried out from July 01 to August 20, while for those participating in the competition for the award of an educational grant, an additional exam shall be held before the start of accepting applications for participation in the competition.

Applicants shall apply for participation in the additional examination in the declared OHPE in accordance with the established scores of paragraphs 4 of these Model Rules.

The incoming person shall be enrolled in the OHPE subject to passing an additional exam and (or) a passing threshold score set by the OHPE.

Citizens of the Republic of Kazakhstan who have technical and professional, post-secondary or higher education shall be accepted for training in educational programs of higher education, which provide for reduced training periods.

Admission to the OHPE of individuals with technical and professional or post-secondary education with the qualification of "middle-level specialist" or "applied bachelor" in related areas of training of higher education personnel, providing for reduced training periods, entering paid training is carried out by the admission commissions of the OHPE.

Admission to the OHPE of individuals with higher education in a group of educational programs providing for reduced training periods on a paid basis shall be carried out by the admission commissions of the OHPE.

Admission of citizens with a general secondary education who have served in military service to study at the OHPE on a paid basis shall be carried out within two years after completing military service based on the results of an interview conducted

by the admission commissions of the OHPE during the calendar year. At the same time, the enrollment of citizens who have served in military service shall be carried out in accordance with the academic calendar 5 (five) days before the start of the next academic period.

Citizens of the Republic of Kazakhstan who have served in military service, have technical and professional, post-secondary or higher education, shall be accepted within two years after completing military service for training on a paid basis in educational programs of higher education, which provide for reduced training periods based on the results of an interview conducted by the admission commissions of OHPE during the calendar year. At the same time, the enrollment of citizens who have served in military service shall be carried out in accordance with the academic calendar 5 (five) days before the start of the next academic period.

The admission of foreign citizens according to the allocated quota based on an educational grant to international OHPE, created based on interstate agreements, shall be carried out by OHPE independently.

The admission of foreign citizens to study at the OHPE on a paid basis shall be carried out according to the results of an interview conducted by the admission commissions of the OHPE during the calendar year. In this case, the enrollment of foreign citizens shall be carried out in accordance with the academic calendar 5 (five) days before the start of the next academic period.

Thus, the admission of foreign citizens based on an educational grant and on a paid basis shall be carried out by the OHPE, accredited in accordance with Article 9-1 of the Law.

Upon admission to study at OHPE, an admission quota shall be provided in the amount approved by the Resolution of the Government of the Republic of Kazakhstan dated February 28, 2012 № 264 "On approval of the admission quota for admission to study in educational organizations implementing educational programs of technical and professional, post-secondary and higher education".

Admission of individuals entering the OHPE shall be carried out on their applications on a competitive basis, except for the case provided for in paragraph 8-1 of Article 26 of the Law, in accordance with the scores of the certificate of the established sample, in the form approved by order of the Acting Minister of Education and Science of the Republic of Kazakhstan dated October 23, 2007 № 502 "On approval of the form of strict reporting documents used by educational organizations in educational activities" (registered in the Register of State Registration of Regulatory Legal Acts under № 4991) and (or) an electronic certificate with unique applicant data

officially confirming the results of a single national test (UNT) published on the website of the National Testing Center (hereinafter referred to as the UNT certificate).

Admission to study on an educational grant for certain groups of educational programs of higher education, requiring work with state secrets, shall be carried out in OHPE, which have permission from the national security authorities in accordance with the legislation of the Republic of Kazakhstan on state secrets.

Acceptance of documents from the OHPE that shall train pilots to participate in the competition for the award of an educational grant of higher education at the expense of the republican budget or the local budget, shall be carried out by the acceptance committee of this OHPE, with the obligatory submission of a medical examination to medical and flight expert commissions, issuing a medical report on the suitability for training in the OHPE for the training of pilots, in accordance with the order of the Minister of Defense of the Republic of Kazakhstan dated December 21, 2020 № 716 "On approval of the Rules for conducting military medical examination and the Regulation on commissions of military medical examination in the Armed Forces of the Republic of Kazakhstan" (registered in the Register of State Registration of Regulatory Legal Acts under № 21869).

In each OHPE, by the decision of the head or the person acting as his/her head, an admissions committee shall be created. The selection committee shall include the head of the OHPE, vice-rector (deputy heads of the OHPE), heads of structural divisions and representatives of the faculty of the OHPE. The quantitative composition of the selection committee shall consist of an odd number of members. The chairman of the selection committee shall be the head of the OHPE. By the order of the head of the OHPE or the person acting as him, the executive secretary of the selection committee shall be appointed.

In this case, the OHPE shall not accept in the following cases:

1) making a decision by the authorized body to suspend, revoke and deprive the license and (or) the Annex to the license to engage in educational activities;

2) lack of institutional accreditation, as well as suspension, withdrawal or expiration of accreditation, with the exception of educational organizations under the President of the Republic of Kazakhstan and military, special educational institutions;

3) if gross violations are detected based on the results of state control and (or) during the trial based on its results;

4) the absence or exclusion of an educational program from the Register of educational programs in accordance with the order of the Minister of Science and Higher Education of the Republic of Kazakhstan dated October 12, 2022 № 106 "On approval of the Rules for maintaining the register of educational programs

implemented by organizations of higher and (or) postgraduate education, as well as the grounds for inclusion in the register of educational programs and exclusion from it" (registered in the Register of state registration of regulatory legal acts under № 30139).

The procedure for admission and conduct of special and (or) creative examinations

In the admission to training in groups of educational programs of higher education requiring special and (or) creative preparation, including in the education areas "Pedagogical Sciences" and "Healthcare", the results of special and (or) creative examinations shall be taken into account.

For the organization and conduct of special and (or) creative examinations, by the decision of the head of the OHPE or the person acting in his capacity, an examination committee shall be created for the examination period.

The committee shall comprise representatives of the OHPE from among the teaching faculty, public organizations, and the media. The committee for creative examinations in the training areas "Art" and "Training of teachers with a subject specialization of general development" shall also comprise persons with the appropriate education in the relevant area and recommended by the local authorized body in the field of culture and sports.

The examination committee shall not include members of the appeal committee.

The committee shall consist of an odd number of members, and the chairman of the committee is elected by the majority of votes from among the committee members. The decision of the committee shall be considered valid if at least two thirds of its members are present at the meeting. The decision of the committee shall be made by the majority vote of those present at the exam. In case of equality of votes, the chairman of the committee shall have the decisive vote.

Conducting special and (or) creative examinations shall be carried out by groups of educational programs, in accordance with the List of groups of educational programs, for which special and (or) creative examinations are held in accordance with Annex 1 to these Model Rules.

Persons applying for educational programs of higher education requiring special and (or) creative training, including in the field of education "Pedagogical Sciences", for passing special and (or) creative examinations, shall submit the following documents to the admission committee of the OHPE:

- 1) a document on general secondary or technical and professional, post-secondary education (original);
- 2) 2 photographs of 3x4 cm;

3) a copy of an ID;

4) UNT certificate (if any);

5) a copy of the document confirming the presence of one of the sports categories and (or) sports titles established by paragraph 1 of Article 35 of the Law of the Republic of Kazakhstan "On physical culture and sports" (if any).

Applications from applicants for the creative exam shall be accepted at the OHPE from June 20 to July 7 of the calendar year.

A creative exam shall be held from July 8 to 15 of the calendar years.

Persons entering the group of educational programs of higher education requiring creative training, having documents on general secondary, technical and professional or post-secondary education, take two creative examinations.

Persons entering a group of educational programs of higher education requiring creative training in related areas of training for higher education personnel, providing for a reduced study period, take one creative examination.

The form for conducting special and (or) creative examinations shall be established in accordance with Annex 2 to these Model Rules.

Acceptance of applicants' documents and a special admission exam in "Pedagogical Sciences" to the OHPE, in the "Healthcare" education field shall be conducted at the location of the healthcare education organization or of medical faculties (departments) of the OHPE from June 20 to August 24 of the calendar year.

For the UNT in electronic format, the acceptance of applicants' documents and a special enrollment exam in "Pedagogical Sciences" education field to the OHPE, in the "Healthcare" education field shall be conducted at the location of the healthcare education organization or of medical faculties (departments) of the OHPE in the period from June 20 to August 20 of the calendar year.

Individuals entering the group of educational programs of higher education requiring creative training at the expense of the republican budget or the local budget pass creative exams in the OHPE chosen by them, with the exception of those entering the OHPE on a paid basis.

For individuals who have secondary or technical and post-secondary education, applying to a group of educational programs of higher education that require creative training, scores on the history of Kazakhstan, reading literacy (language of instruction) shall be taken into account.

For individuals entering the group of educational programs of higher education, requiring creative training in related areas of training of higher education personnel, providing for reduced training periods, scores shall be taken into account in a special discipline.

Individuals entering the OHPE in the fields of education "Pedagogical sciences" and "Healthcare" shall pass one special exam conducted by the admission commissions of the OHPE.

For individuals entering the OHPE in the fields of education "Pedagogical sciences" and "Healthcare," scores shall be taken into account in the history of Kazakhstan, mathematical literacy, reading literacy (language of instruction), two specialized subjects.

For individuals entering the OHPE in the fields of education "Pedagogical sciences" and "Healthcare" in related areas of training of higher education personnel, providing for reduced training periods, scores shall be taken into account in general professional and special disciplines, with the exception of those entering the OHPE on a paid basis.

Programs for conducting special and (or) creative examinations are developed by OHPE and approved by the chairperson of the OHPE admission committee.

The schedule of special and (or) creative exams (form of the exam, date, time and venue, consultations) shall be approved by the chairman of the admission committee and brought to the applicants' notice before the start of accepting documents and published on the official Internet resource of the OHPE.

Admission to the audience (room) of conducting special and (or) creative examinations shall be carried out upon presentation of an identity document.

In this case, special and (or) creative examinations shall be held in classrooms (rooms) equipped with video and (or) audio recording.

Before the start of special and (or) creative examinations, applicants shall be given examination material and the procedure for drawing up title pages shall be explained, as well as the start and end times of special and (or) creative examinations, the time and place of announcement of the results, and the application procedure on appeal.

Creative exams for applicants with certificates of general secondary or technical and vocational, post-secondary education shall be assessed on a 45-point system.

A creative exam for applicants in related areas of training higher education professionals, providing for reduced terms of study, shall be assessed on a 20-point system.

A special exam for applicants in the "Pedagogical Sciences" and "Healthcare" education fields shall be assessed in the "admission" or "non-admission" form.

The results of the creative examination shall be drawn up with a list of grades, the results of a special examination - with a list of admission, a protocol of the committee in any form and are transferred to the executive secretary of the admission committee

(his/her deputy) to announce the results. The protocol of the committee shall be signed by the chairperson and all members of the committee present.

The results of special and (or) creative examinations shall be announced on the day of the examination.

Based on the special exams results in the "Pedagogical Sciences" and "Healthcare" education fields, an applicant shall be issued an extract from the admission sheet to be presented to the OHPE, regardless of the special exam venue.

For the period of the examinations in order to comply with the requirements for the special and (or) creative examination, to resolve controversial issues, to protect the rights of persons passing the relevant examinations, by order of the head of each OHPE or by the person performing his duties, an appeal committee shall be created, the composition of which shall consist of an odd number of members, including its chairperson.

An application for an appeal is submitted to the chairperson of the appeal committee personally by a person who has passed a special or creative examination, shall be accepted until 13:00 the next day after the announcement of the results of the special or creative examination, and is considered by the appeal committee within one day.

The decision of the appeal committee is considered valid if not less than two thirds of its composition are present at the meeting. The decision on the appeal on disagreement with the results of a special or creative examination shall be made by a majority vote of the number of members of the committee present. If the votes of the members of the appeal committee are equal, the chairperson's vote is decisive. The work of the appeal committee shall be documented in a protocol signed by the chairperson and all members of the committee present.

The OHPE, regardless of the form of ownership on the day of completion of the additional, special and (or) the creative exam shall be transmitted to the information system of the National Testing Center of the Ministry of Science and Higher Education of the Republic of Kazakhstan the results of additional, special and (or) creative examination of applicants for participation in the competition for the award of an educational grant of higher education at the expense of the republican and local budgets and (or) admission to the OHPE for paid education.

The procedure for enrollment in OHPE

In order to enroll in the OVPO, service recipients provide the OVPO (hereinafter referred to as the service provider) through the admissions committee of the OVPO or through the e-government web portal (hereinafter referred to as the portal) with a package of documents provided for in paragraph 8 of the list of basic requirements for

the provision of public service "Acceptance of documents and enrollment in organizations of higher and (or) postgraduate education for training in educational programs of higher education" (hereinafter – the List of basic requirements), according to Annex 3 to these Standard rules.

The list of the main requirements for the provision of the state service, including the characteristics of the process, the form, content and result of the provision of the service, as well as other information taking into account the peculiarities of the provision of the state service, shall be given in the List of the main requirements.

The service provider's employee shall accept the package of documents, register them and issue a receipt to the service recipient on receiving the package of documents on the day of receipt of the application, either if the service recipient provides an incomplete package or documents with an expired validity period refuses to accept the documents.

If the service recipient is contacted through the portal, the status of accepting a request for a state service, as well as a notification indicating the date and time of receiving the result of the state service, is sent to the "personal account."

From the moment of their receipt, the service provider shall check the completeness of the submitted documents, in case of incompleteness, shall prepare a motivated refusal to further consider the application, which shall be sent in the form of an electronic document to the applicant to the "personal account" on the portal.

If the service recipient provides a complete package of documents, the service provider is sent notifications on the receipt of documents for enrollment in the OHPE. Upon receipt of the notification, the service recipient shall submit the original documents to the service provider within the period from August 10 to August 25 of the calendar year.

After receiving the documents, the head of the OHPE issues an order to enroll the service recipient in the number of the OHPE students.

The service provider shall refuse to provide public services on the grounds provided for in Paragraph 9 of the List of Basic Requirements.

The service provider ensures that information on the stage of rendering public service is entered into the information system for monitoring the provision of public services in accordance with subparagraph 11) of paragraph 2 of Article 5 of the Law "On public services".

The authorized body in the field of science and higher education ensures that information on changes and (or) additions to these Rules is sent to the Unified Contact Center, the operator of the information and communication infrastructure of the

"electronic government" and the service provider within three working days from the date of their entry into force.

A complaint about the decision, actions (inaction) of the service provider on the provision of public services may be submitted to the name of the head of the service provider, to the authorized body for assessing and monitoring the quality of the provision of public services, in accordance with the legislation of the Republic of Kazakhstan.

The complaint of the service recipient received by the service provider, in accordance with paragraph 2 of Article 25 of the Law "On public services", is subject to consideration within 5 (five) working days from the date of its registration.

The complaint of a service recipient received by the authorized body for the assessment and control over the quality of the provision of public services is subject to consideration within 15 (fifteen) working days from the date of its registration.

In cases of disagreement with the results of the provision of public services, the service recipient shall apply to the court in the manner prescribed by the legislation of the Republic of Kazakhstan.

Enrollment in the OHPE at the expense of the republican budget or the local budget or on a fee basis shall be carried out by the OHPE admission committees from August 10 to 25 of the calendar year for training in Kazakh, Russian or English by order of the head of the OHPE or a person acting in his capacity.

Individuals who have secondary, technical and professional or post-secondary education, with the exception of those entering related areas of higher education training, providing for reduced training periods that have not scored the threshold point established in paragraph 4 of these Model Rules (according to the UNT results), with UNT results with inappropriate combinations of specialized subjects, with canceled UNT results, shall be enrolled in the UNT on a full-time basis on a paid basis.

Before the completion of the first academic year in the OHPE, these individuals re-submit the UNT within the established time frame, in accordance with the Rules for conducting unified national testing, approved by Order of the Minister of Education and Science of the Republic of Kazakhstan dated May 2, 2017 № 204 (registered in the Register of State Registration of Regulatory Legal Acts under № 15173) (hereinafter referred to as the Order № 204).

Individuals who have not repeatedly gained the threshold score established in paragraph 4 of these Model Rules, based on the results of UNT handed over upon completion of the 1st (first) school year, shall be subject to deduction from the OHPE.

Holders of an educational grant of higher education at the expense of the republican budget or the local budget shall file an application for admission to the OHPE indicated in the certificate and shall be enrolled as students by order of the head of the OHPE or the person acting in his capacity.

Holders of an educational grant of higher education on curricula groups that require creative training are enrolled in the OHPE, in which they were taking creative exams.

Citizens of the Republic of Kazakhstan enrolling on a state grant shall conclude an agreement on working out for at least 3 (three) years in the manner established by Order № 390 of the Government of the Republic of Kazakhstan dated March 30, 2012 “On approval of the Rules for assigning a specialist to work, granting the right to self-initiated employment, exemption from the obligation or termination of the obligation to work by citizens who studied on the state educational order, and introducing amendments and additions to Order № 58 of the Government of the Republic of Kazakhstan dated January 23, 2008 “On approval of the Rules for awarding an educational grant”.

Persons with secondary or technical and professional, post-secondary education of the current year, who have passed the UNT within the prescribed time limits in accordance with Order № 204, and scored the threshold score established in paragraph 4 of these Model Rules, shall submit an application addressed to the head of the OHPE or the person performing his duties to enroll in OHPE on a fee basis before receiving a document on general secondary or technical and professional, post-secondary education.

Thus, students of the final 11 (12) grades of secondary education organizations in the period from February 1 to August 25 of the calendar year shall submit an application addressed to the head of the OHPE or the person performing his duties for enrollment in the OHPE on a fee basis before receiving a document on general secondary education.

After receiving a document on general secondary or technical and professional, post-secondary education, applicants submit documents according to the list specified in paragraph 33 of these Model Rules.

Persons who have scored the threshold score established in paragraph 4 of these Model Rules, based on the results of the UNT, provided for in paragraph 5 of these Model Rules, shall submit an application addressed to the head of the OHPE or the person performing his duties for enrollment in the OHPE on a fee basis.

The application shall be accompanied by a UNT certificate, a copy of the transcript signed by an authorized person and sealed.

If an incomplete list of documents specified in paragraphs 15, 33, 36, 37 of these Model Rules is provided, the admission committee shall not accept documents from applicants.

Enrollment in the OHPE shall be carried out separately for educational programs of higher education and language departments.

When enrolling in educational programs of higher education, for which creative exams are established, the scores for these exams shall be taken into account, with the exception of those enrolling in related areas of training of higher education specialists, providing for reduced terms of study.

When enrolling in the "Pedagogical Sciences" and "Healthcare" education areas the special exam results shall be taken into account.

In the case of an applicant taking an educational loan issued by second-tier banks, the applicant shall be enrolled in the number of OHPE students upon presentation of an appropriate certificate from the bank about the documents being considered.

Thus, he/she shall be provided with a postponement to pay for the amount established in the contract for the provision of educational services and payable before the enrollment of a citizen, for the period of issuing an educational loan, but not more than 4 (four) weeks from the date of receipt of a certificate from the bank.

Documents in a foreign language shall be provided with a notarized translation into Kazakh or Russian.

Education certificates issued by foreign educational organizations shall undergo the procedure of nostrification of documents on education in accordance with the procedure established by the legislation of the Republic of Kazakhstan after enrollment of persons during 1 (first) academic period of study.

OVPO, regardless of the form of ownership, within 10 (ten) calendar days after completion of enrollment, submits to the authorized body in the field of science and higher education a final report on the enrollment of students in OVPO.
