

Information letter

THE COUNCIL FOR SCIENCE AT THE NURSULTAN NAZARBAEV FOUNDATION and SOUTH KAZAKHSTAN MEDICAL ACADEMY together with the TAJIK STATE MEDICAL UNIVERSITY named after ABUALI IBNI SINO are holding the IX International Scientific Conference of young scientists and students "Prospects for the development of biology, medicine and pharmacy"

On December 8-9, 2022, the Council for Science at the Nursultan Nazarbayev Foundation and the South Kazakhstan Medical Academy together with the Avicenna Tajik State Medical University will organize the IX International Scientific Conference of young scientists and students "Prospects for the development of biology, medicine and pharmacy" in Shymkent.

During the conference, attention will be paid to strengthening interaction and mutually beneficial cooperation between young researchers. It is planned to discuss the most relevant areas of modern research, as well as to outline ways of their further development in accordance with the strategic directions outlined by N.A. Nazarbayev. Young scientists under the age of 40 and organizations interested in enhancing the scientific activity of young people are invited to participate in the conference.

5	Modern ecological, hygienic and epidemiological aspects of infectious and non-infectious diseases	<ul style="list-style-type: none"> Zeynep Avizova e-mail: Zeinepavizova@gmail.com tel.: +7 747 793 5005
6	Modernization of nursing	<ul style="list-style-type: none"> Aizat Seidakhmetova, Head of the Department of Emergency Medical Care and Nursing, candidate of medical science, Acting Associate Professor e-mail: aizat-seidahmetova@mail.ru tel.: +7 701 767 1448
7	Theoretical and practical aspects of modern medicine	<ul style="list-style-type: none"> Tatiana Polukchi, PhD-doctoral student, Assistant of the Department of infectious diseases and dermatovenerology e-mail: tpolukchi@bk.ru tel.: +7 747 983 8388
8	Prospects and development of dentistry in the XXI century	<ul style="list-style-type: none"> Shyrynbek Ilyas e-mail: shiryrbek@gmail.com tel.: +7 708 332 3046

Topical issues of pharmacy

9	Section	Contact person
10	Herbal medicines and prospects for their use	<ul style="list-style-type: none"> Gulnara Rakhmanova e-mail: serykh.2021@mail.ru тел.: +7 708 598 54 18 Malika Zhanibek Master of Medical Sciences e-mail: malli_alice@mail.ru tel.: +7 702 837 93 88
11	Drug technology: searches and solutions	<ul style="list-style-type: none"> Altynay Zharylkasyn e-mail: altynai5529@mail.ru tel.: +7 775 330 5529
12	Priority directions of pharmaceutical and chemical-toxicological analysis of medicines	<ul style="list-style-type: none"> Aigul Serikbayeva, candidate of pharmaceutical science e-mail: aluaul@mail.ru tel.: +7 777 601 3367 Dana Altynbek e-mail: danko_altinbek@bk.ru tel.: +7 778 452 4095
13	Innovative approaches to increase access to medicines	<ul style="list-style-type: none"> Gulnara Utegenova e-mail: gulnara64.64@mail.ru tel.: +7 702 468 4963 Imanay Kersheeva e-mail: Kersheeva00@mail.ru tel.: +7 702 429 0328
14	Clinical pharmacy, experimental and clinical pharmacology: new approaches and current research	<ul style="list-style-type: none"> Aigul Ibragimova e-mail: aygul_ibr@mail.ru tel.: +7 707 896 2249 (whatsapp),
15	Humanitarian aspects of medical and pharmaceutical education	<ul style="list-style-type: none"> Umida Khasanova e-mail: aiymbetova_a@mail.ru tel.: +7 707 969 8156

Thesis guidelines:

The manuscripts of the reports are executed in MS Word format.

The volume is up to 2 pages.

Margins: top 2 cm, bottom 2 cm, left 3 cm, right 1.5 cm to footer 0 cm.

Line spacing 1.

Font - Times New Roman, 12 size.

Paragraph - indent of the first line of each paragraph 10 mm (for the main text), alignment - width. There is no indentation for centered text.

The location of the text on the page:

Title of the report, centered alignment.

Surname(s) and initials of the author(s), course and faculty, city, country, e-mail address of the author.

Surname and initials of the supervisor, title, position, city, country, e-mail address (if available).

References, Times New Roman font, 12 size. The reference to the source in the text of the report is made out as a number in square brackets [1], [2], [3].

The file name is determined by the surname of the first author: Surname.doc .

Oral report guidelines:

The report should be accompanied by a presentation (PowerPoint 2003-2010).

The duration of the oral presentation (report) should not exceed 7 minutes, discussion - 3 minutes.

From the technical means, you will be provided with a multimedia projector and a laptop. Due to the different laptop software, we ask you to save your presentations in two extensions .ppt and .pptx.

Presentation requirements: The presentation must be made according to generally accepted rules. On the first slide: the name of the university, then the name of the department, the name of the work; the full name of the speaker; the name of the supervisor; city, country.

Articles and theses are accepted in Kazakh, Russian and English.

Materials for publication must be sent by **November 30, 2022**.

The publication of materials is free of charge.

The conference materials will be published in the scientific journal "Vestnik of SKMA".

Editor of the scientific journal - Raikhan Shaimerdenova, tel: 8-702-477-76-39, e-mail: raihan_ukgfa@mail.ru . 8/7252/39-57-57 / internal 1029/

Head of the Department of Scientific and Clinical Work,

Doctoral and Master's studies - Alikhan Zhaksylyk,

tel: 8-778-500-00-18, e-mail: otdel_nauki.ukgfa@mail.ru
